Sir:

Further to Applicants' Amendment and Request for Continued Examination (RCE) filed July 11, 2003, the attached signed Rule 132 Declaration by Mr. Yasuhiro Yoshioka is respectfully submitted. The Examiner is respectfully requested to take into consideration the attached Rule 132 Declaration in combination with the July 11, 2003 Amendment in determining the patentability of the present invention.

The enclosed Declaration is referred to on page 11, lines 3-4 of the July 11, 2003 Amendment.
